Sixty-first session
Second Committee
Agenda item 53 (f)
Sustainable development: Convention on Biological Diversity

Draft resolution submitted by the Vice-Chairman of the Committee, Mr. Benedicto Fonseca Filho (Brazil), on the basis of informal consultations held on draft resolution A/C.2/61/L.33

Convention on Biological Diversity

The General Assembly,

Recalling its resolutions 55/201 of 20 December 2000, 56/197 of 21 December 2001, 57/253 and 57/260 of 20 December 2002, 58/212 of 23 December 2003, 59/236 of 22 December 2004 and 60/202 of 22 December 2005,

Recalling also the 2005 World Summit Outcome,[1]

Reiterating that the Convention on Biological Diversity[2] is the key international instrument for the conservation and sustainable use of biological resources and the fair and equitable sharing of benefits arising from the use of genetic resources,

Noting that 188 States and 1 regional economic integration organization have ratified the Convention,

Recalling the commitments of the World Summit on Sustainable Development to pursue a more efficient and coherent implementation of the three objectives of the Convention and the achievement by 2010 of a significant reduction in the current rate of loss of biological diversity, which will require action at all levels, including the implementation of national biodiversity strategies and action plans and the provision of new and additional financial and technical resources to developing countries,

Concerned about the continued loss of biological diversity and the decline in ecosystem services, and acknowledging that an unprecedented effort would be

06-64336 (E) 061206

needed to achieve by 2010 a significant reduction in the rate of loss of biological diversity,

Acknowledging the contribution that the ongoing work of the World Intellectual Property Organization's Intergovernmental Committee on Intellectual Property and Genetic Resources, Traditional Knowledge and Folklore can make in enhancing the effective implementation of the provisions of the Convention on Biological Diversity,

Noting the contribution that South-South cooperation can make in the area of biological diversity,

Taking note of the reports of the Millennium Ecosystem Assessment,

Expressing its deep appreciation to the Government of Brazil for hosting the eighth meeting of the Conference of the Parties to the Convention on Biological Diversity and the third meeting of the Conference of the Parties to the Convention serving as the Meeting of the Parties to the Cartagena Protocol on Biosafety, held in Curitiba from 20 to 31 March, and from 13 to 17 March 2006, respectively,

Expressing its deep appreciation also to the Government of Germany for its offer to host the ninth meeting of the Conference of the Parties to the Convention on Biological Diversity and the fourth meeting of the Conference of the Parties to the Convention serving as the Meeting of the Parties to the Cartagena Protocol on Biosafety in 2008,

1. *Takes note* of the report of the Executive Secretary of the Convention on Biological Diversity, transmitted by the Secretary-General to the General Assembly at its sixty-first session;[3]

2. *Notes* the outcome of the eighth meeting of the Conference of the Parties to the Convention on Biological Diversity;

3. *Notes also* the outcome of the third meeting of the Conference of the Parties to the Convention serving as the Meeting of the Parties to the Cartagena Protocol on Biosafety;

4. *Notes further* the progress made with respect to the achievement of the three objectives set out in the Convention on Biological Diversity;

5. *Urges* all Member States to fulfil their commitments to significantly reduce the rate of loss of biodiversity by 2010, and emphasizes that this will require an appropriate focus on the loss of biodiversity in their relevant policies and programmes and the continued provision of new and additional financial and technical resources to developing countries, including through the Global Environment Facility;

6. *Reiterates* the commitment of States parties to the Convention on Biological Diversity and the Cartagena Protocol on Biosafety[4] to support the implementation of the Convention and the Protocol, as well as other biodiversity-related agreements and the Johannesburg commitment for a significant reduction in the rate of loss of biodiversity by 2010, and to continue to negotiate within the

framework of the Convention, bearing in mind the Bonn Guidelines,[5] an international regime to promote and safeguard the fair and equitable sharing of benefits arising out of the utilization of genetic resources, and urges all States to commit to significantly reducing the rate of loss of biodiversity by 2010 and to continue ongoing effort towards elaborating and negotiating an international regime on access to genetic resources and benefit-sharing;

7. *Notes* the progress made in the Ad Hoc Open-ended Working Group on Access to Genetic Resources and Benefit-sharing in elaborating and negotiating the international regime, as well as the decision of the eighth meeting of the Conference of the Parties to complete the work of the Ad Hoc Open-ended Working Group at the earliest possible time, before the tenth meeting of the Conference of the Parties to be held in 2010, and urges parties to make every effort to complete the work within the established time frame;

8. *Reaffirms* the commitment, subject to national legislation, to respect, preserve and maintain the knowledge, innovations and practices of indigenous and local communities embodying traditional lifestyles relevant to the conservation and sustainable use of biological diversity, promote their wider application with the approval and involvement of the holders of such knowledge, innovations and practices and encourage the equitable sharing of the benefits arising from their utilization;

9. *Notes* the progress in the thematic programmes of work of the Convention on Biological Diversity;

10. *Notes also* the progress made at the third meeting of the Conference of the Parties to the Convention serving as the Meeting of the Parties to the Cartagena Protocol on Biosafety and the continuing efforts made towards the implementation of the Protocol, and stresses that this will require the full support of parties and of relevant international organizations, in particular with regard to the provision of assistance to developing countries, as well as countries with economies in transition, in capacity-building for biosafety;

11. *Takes note with appreciation* of the outcome of the fourth replenishment of the Global Environment Facility, including the pledges made by the international community to the Global Environment Facility Trust Fund, at the third Global Environment Facility Assembly, held in Cape Town, South Africa, in August 2006, and stresses the importance of fulfilment of the commitments;

12. *Invites* the countries that have not yet done so to ratify or to accede to the Convention;

13. *Invites* the parties to the Convention that have not yet ratified or acceded to the Cartagena Protocol on Biosafety to consider doing so;

14. *Invites* countries to consider ratifying or acceding to the International Treaty on Plant Genetic Resources for Food and Agriculture;[6]

[6] Food and Agriculture Organization of the United Nations, *Report of the Conference of FAO, Thirty-first Session, Rome, 2-13 November 2001* (C 2001/REP), appendix D.

15. *Encourages* developed countries parties to the Convention to contribute to the relevant trust funds of the Convention, in particular so as to enhance the full participation of the developing countries parties in all of its activities;

16. *Urges* parties to the Convention on Biological Diversity to facilitate the transfer of technology for the effective implementation of the Convention in accordance with its provisions;

17. *Takes note* of the ongoing work of the liaison group of the secretariats and offices of the relevant subsidiary bodies of the United Nations Framework Convention on Climate Change,[7] the United Nations Convention to Combat Desertification in Those Countries Experiencing Serious Drought and/or Desertification, Particularly in Africa,[8] and the Convention on Biological Diversity, and further encourages continuing cooperation in order to promote complementarities among the secretariats, while respecting their independent legal status;

18. *Stresses* the importance of reducing duplicative reporting requirements of the biodiversity-related conventions, while respecting their independent legal status and their independent mandates;

19. *Invites* the Executive Secretary of the Convention on Biological Diversity to continue reporting to the General Assembly on the ongoing work regarding the Convention, including its Cartagena Protocol;

20. *Decides* to include in the provisional agenda of its sixty-second session, under the item entitled "Sustainable development", the sub-item entitled "Convention on Biological Diversity".
